

ARBOR DAY
January 26, 2008

We had another beautiful day for our 3rd annual Arbor Day celebration that was held on Saturday, January 26, 2008.

The day started with the CCT's annual meeting at 11:30 which was open to the public.

After their meeting we dedicated a beautiful Black Olive tree to the memory of Mr. James Duff for his generous support of the Learning Garden. His daughter Kelly and her family were present, for the dedication and presentation of the plaque that was made in his honor.

Mr. Jack Yee and his committee had the grill started and after the dedication we started serving our Hot Dogs, Chips, Drinks and wonderful cookies that Judy McElwaine, Sharon Marvel and Jackie Alcorn had made. We served around 100 individuals that came out to visit our beautiful garden until 2:00 pm.
