

"The Sophisticated Ladies"
The Red Hat Society of South Gulf Cove
March 2008 Newsletter

Hello Ladies,

Alice Burnell was our hostess of the month for the March 14th luncheon held at Visani's. Again we were serenaded by Al Holland from the Platters. We had another great time singing along to the oldies. For some of us it brought back memories of what we were doing way back then when these songs were popular. Of course, we were up dancing around, up on the stage, even a conga line throughout the place. It was good to work off all the great food served for the day. It was a fun day, and girls just want to have fun.

Visitors introduced themselves. We had a lot of guests for the day. Even they were up dancing.

Birthday ladies present were Alice Burnell 3/19, and our newest member Andrea Martin 3/4.

Other ladies celebrating birthdays but not present were, Barbara Harmon 3/6, Jeri Lowe 3/30, Milly Lutman 3/13, Penny Penland 3/16, Vietta Smagghe 3/1, and our Princess of Monies, Char Traxell 3/3.

We enjoyed the Casata cake baked by Publix, and then Al sang Happy Birthday. Al invited the birthday ladies up to the stage to sing a special song just for them.

The fifty-fifty was held by Linda Atkinson. Winners were: Denise Andrews won the beautiful Phalanopsis orchid; Kathy Massuli and Linda Atkinson won the money. Congrats ladies.
