Hello Ladies,

The Friday, June 8<sup>th</sup>, luncheon was held on Englewood Beach. We are lucky enough to live near the shore but we don't take the time to enjoy it like we should. What a really nice day it was. Clear skies, sun and nice breezes were ordered for the day. We arrived early to enjoy the water, walk the beach, sit under an umbrella, or work on our tans.

The water was so nice that day. Some of us didn't want to get out.

Twenty-three ladies were there for the day. We all brought our own lunches and drinks. We celebrated our birthday ladies.

What a great cake Publix made for us; it was marble with chocolate pudding filling with a butter-cream beach scene decorating the whole cake. Perfect!!

June Birthday Ladies present were: Barbara Holmes 6/25; Ruth Oberlin 6/29; Hebe Scholl 6/4; Denise Andrews 6/1.

Also celebrating June birthdays: Helen Griffin 6/21, Jeanne Karellias 6/7, Janet Messer 6/16, Dolly Scolase 6/13, Sharon Paine 6/16, Linda Spadaro 6/23, and Judith Van Landegend 6/6.

After lunch, some of us went back to the beach to enjoy being by the water a little more. We stayed until those thunderclouds started showing up. We have to expect that to happen during the summer months; we were glad we were able to get our day in before the rains came. Thank you, ladies who showed up for the day and made it a nice one. I think we need more beach days; after all we are in Florida.
